“ *Dennis,
You were the best of the human race. I'm going to miss our FB talks. Thanks for being yourself, such a good, helpful.fun-loving, sincere individual and "brother". Always quick to help someone out, approachable, unassuming,sweet, hard working,honest and the list goes on. Thanks so much for helping our girls out when they needed it most. I'll never believe that you wanted to leave us. Heaven is closer now and I can't wait to see you and talk to you again. Thanks for your service to our country and the awful things you experienced for us. You were awesome, and always will be. Love you so much, Gail*

“ I knew Dennis only through a few brief encounters but, as a pilot based at the Greenville Downtown Airport, I benefited from his work on every flight. Even just my brief exposure to Dennis showed me his strong and kind character... he was a true professional at what he did and his airport will be better-off for his work for a long time. I am proud to be a fellow Air Force veteran with Dennis and may he rest in sublime and eternal peace.
