“ We remember so many happy times together with Andrea and Dennis within the neighborhood and also social times out to eat, especially welcoming in 2016! Dennis had such a good sense of humor and always made time to chat no matter how busy he was when we walked by. We will never forget him.

“ I remember how hard Dennis worked on the maintenance of our church when he worked there. He kidded that he was "Dennis the menace" always laughing. In his later years he was still friendly.
