“ Dear Blackwell Family,

I just heard about Devons passing yesterday evening. I just wanted to tell you how sorry we are and how sorry I am that we were not able to attend his funeral. Devon and many others will always hold a special place in my heart because of the times that we spent together when we were all much younger. Although he is gone please know that the bond that we all formed when we were younger will always keep our families close at heart. Unfortunately we are not all able to stay in touch through the years but we all leave marks in each others lives. We will be praying for your family and Devons children especially. Please reach out if there is anything that we can ever do for any of you all.

Deepest sympathies,

Jeremy Davis and Family

“ I'm at a loss for words as I just found out today, but may God bless your family and continue to give them strength at this desperate hour and comfort them with love and kindness. Just know that you all are in our prayers and thoughts. Devon was a devoted father and friend he loved his family dearly. It gives me some comfort to know you are with God in heaven. Until we meet again. Lord God bless them, Amen

“ *Gary, Kathy, Heather and family. Please know and understand, many folks are praying for each of you. I think back to the many times we shared with our families, with vacations, dinners, and just plain being together. I think about my dad taking Devon bird hunting. I think they both enjoyed each other's company. I love each of you, and will be continuing to keep each in my prayers.*

“ *Dear Gary, from the depth of my heart I feel for you and your family, and I can't even begin to imagine the sense of loss, the grief, pain, and even questions that now exist. Your strength will prevail, and I (and Ginger) will keep you in our prayers. Ginger and I fondly recall Devon as a spunky little boy who was quite witty and cute, and I know you all will gather around your memories of him and his love.*
