“ I am writing for my father, Claude Center, of Duncan. He expresses his sadness at the passing of Mr. Hawkins. Daddy said that he worked with Dewey years ago, maybe at Homelite. He says that he was a good man, and he thought a lot of him. Daddy is 86 and in poor health, so he is unable to visit, but wanted the family to know that he is thinking of you.##imported-begin##Shirley Center Clopton##imported-end##
