“ Dear Jewell, Amy, Celeste and Karen and all the family. My prayers are with each of you at this time of your loved one passing. Heaven is described in Revelation 21 and is so very comforting to read. Karen is a dear friend to me and she has the most Heavenly voice to sing. Love and Prayers, Kay Marie Johnson

“ To this amazing family who's had the honor & privilege to be a part of Dewey & Jewell: Mere words cannot express my deepest feelings - Dewey not only welcomed us into his home, but into his heart as well. A man of few words with far-reaching actions AND non-actions, were his strongest influences on us, the 3 generations of pre-TEENS, TEENS & Young Adults in GREER, SC. His grace & wisdom will live for generations to come!! I miss you Dewey & thank you for introducing me to my 1st color-TV experience in '64! You and your family were trend-setters & trail-blazers, setting precedents for the rest of us & keeping all of us out of jail! Blessings only!!

Luv all ways,

“ PaPa, I miss your big hugs, silly giggles, always being amazed at how you introduced a new piece of technology or game to us, all the love you gave through cooking especially golden eggs, watching your gardens grow, playing at 202 Duke St every weekend of my childhood nearly, watching Saturday morning cartoons and movies in your bedroom or the den, playing sports in your backyard or basketball on your driveway, spending every Christmas day there happy and celebrating Jesus, going to church with you and watching you sing in the choir, always there helping host my graduation party and engagement party and there in spirit for my first baby shower... Thank you for supporting me in many ways as I attended Clemson. I'm sad you never got to play with my children the way you got to play with us. I'm honored to have lived with you for nearly a month after your stroke in the ICU, the hospital rooms and even Roger C Peace. Nothing mattered to me but making sure you had the best post-stroke care possible and the best chance at rehab possible. Look how much you did for us!!!! It was the least I could do for you. I promise to take care of your Love and be there for her when I visit from Maryland. I miss you so much!! Thank you for being a great Godly man and the best patriarch a family could ever have. I love you!! ~ Jessica Lyn Byars Groves xoxo
