“ I am just seeing this on February 8, 2026. My brother is the reason I exist. He was 3 when he asked my mom for a baby sister. She told him to pray for one. I was born just before he turned 4 and he named me, Judith Ann. He was the absolute best brother. So many wonderful memories of him all through my life. He was my protector and best friend for so many years. I'll miss him forever.

“ I share in your pain. For how many years did we speak of getting together? Yet it never happened. Prayers and hope for you, Tom, and all the family.
