“ One 👉 of the most SPECIAL MOMS, FRIEND, & PEOPLE that I have ever met all the way around all the time! This world was blessed to have her on this planet and there is NO replacement for such a wonderful, beautiful Woman like her. She is & will always be a VERY Special person that can't ever be duplicated, she will always be in your HEART/LIFE in HEAVEN! A Beautiful SOUL, and just a joy if you even had the privilege to have even met her or be in your life. She is always here, and she will see/meet you in HEAVEN being the type of person that lived her life like the BEST could ever do. Missed so much, made such a LARGE and SPECIAL imprint on this earth while leaving such a special footprint on this earth. I can say from the bottom of my heart I was truly blessed to be privileged that I had the opportunity to even be blessed having known her; someone that is a TRUE ANGEL!!!!!!!!!!!!!!

In replaceable, Truly missed; and it is very very obvious that there was a need for a ANGLE in heaven. I could keep saying or writing such the wonderful person she is; however anyone that was so lucky to know her understands what I'm saying.

She is in the BEST PLACE you could be with the LORD , she will always be in my heart and soul !

I also know that every person she interacted with feels the same way; because there aren't many people that can touch your heart like she does. I will see her again one day if I have the privilege too and live my life like she did !

God Bless and will always be remembered by anyone that came in contact with her !!!!!

“ To Drexel, Jeremy, Justin, Jordan and Families,

I want to express my sincerest and heartfelt sympathy to all of you. Losing a loved one is the most difficult thing in this life you will ever have to go through. Your lives are changed forever and it may take the rest of your lives to recover from the loss. You will miss her terribly I know. The shattered pieces of your hearts seem to never mend and the pain and heartache never stop. But remember, God is always there to comfort you, hold you close, and wipe your tears if you let Him. He is the our Comforter and Fortress of Strength in times of grief and suffering. I pray He will be with each of you today, and in the weeks and years to come for whatever you need.

Diane was one of the strongest women I've ever known. Steadfast in her faith and love of family and church. Strong witness for Jesus! She loved her Savior and was witness to countless hundreds of people to the marvelous saving power of God! What a testimony. Her rewards and crowns will be many. Even though we had lost contact in the last several years, I still loved her and thought of her often. She was one of my most cherished friends.

I will continue to pray for all of you in the days, weeks and months ahead. If I can be of help in any way please call me.

*Love and Prayers,
Debbie Lee*

“ Drexel and Diana's family,

My heart is aching for you at the passing of Diana. I first met Diana in November, 2011 on the first expedition trip to the state of Maharashtra, that has resulted in a historical Church Planting Movement. She helped to plant 41 house churches during the two back-to-back expeditions that has grown to over 56,000 house churches and more than one million new disciples! I learned that she was a short-term missionary that loved extreme trips that required grit and great faith; surely, she was a woman of both! A year later, while visiting my brother in Greenville, my wife and I contacted Diana to visit her for an evening. She invited us to her small apartment for dinner. In Diana style, she prepared an 11-course dinner and served it in her little kitchen...food was laid out all over the kitchen! It was one of the most memorable meals that my wife and I have ever experienced. I will greatly miss my sister in Christ. She was serious about sharing the gospel and a real inspiration because of her many trials that resulted in a Christ-honoring faith. We are praying that the Lord gives you sweet memories of your dear wife, mother and grandmother. She will be waiting on the other side of heaven for all of you. Precious blessings, comfort and peace in Jesus.

“ Diane was such a sweet and very giving lady. At Gateway we enjoyed going together on Tuesdays' Ladies Visitation with Mr. Jim Bowman on the bus. Those were good days when our children were young. May God comfort you in your loss and your reunion one day in glory for us all! Amanda Atoigue & Family

“ *What a joy it was to serve with Diana in Rwanda, India and Nashville! She is a true warrior for Jesus and I thank God that we are eternal friends. I know she is happy in the arms of Jesus ... the only reason she wanted to remain here on earth is because there were so many people that didn't have a personal relationship with Jesus that would spend eternity separated from Him. She wanted to continue to share the gospel with those that may know about God, but not personally ... or those who never heard the name of Jesus! The Lord knew before the beginning of time that May 3rd would be her days ... we thank You Jesus for allowing us to know your precious daughter, Diana!*
