“ My aunt Diane was an amazing aunt. She was my mother when there was no other. She allowed me to just be a little kid. She comforted me when I was sick and made the best pound cake in the world. She loved being an aunt but wanted more than anything to be a mother and went on to be a great-aunt and grandmother. She was a caregiver all her life. I miss her very, very much.

“ Aunt Diane, I will always remember your contagious laugh and the little music box you gave me when I was a little girl that played "Raindrops Keep Falling on My Head." I was truly blessed to have known you and have you in my life.

Love your niece,
