“ *To Dianne's Family,
Dianne was a very good friend to me during my elementary school years. We went all the way through school together and Dianne never changed from being a beautiful, caring, tender-hearted person. When I saw that she had passed on, I was greatly saddened for all of you. I was able to attend the funeral and was touched by Jimmy's words. I know she was very proud of you. My deepest sympathy for your loss.##imported-begin##Lucy Dean##imported-end##*

“ Jimmy,

I am sorry I can not be with you in your time of sorrow. Know that you and your family are in my prayers.

I only met you Mother one time, at that moment I knew where you got your great personality. However, I'm still not sure where you got that Jeff Gordon lead foot.

With much sympathy,

“ Dear Lois, It has been many years since we worked together at Union Bleachery. I saw Dianne's death on the internet, and just wanted to let you know how sorry I am to see this. I know you are a Christian, and your faith in God will help you get through this difficult time. I will add you to my prayer list. Because I 'm disabled, I cannot come in person.
