“ I have known Diane,Danny& Jason since I was born as a kid. The fondest memory ,as a child, I have were the steak night dinners. Mom and dad had Diane,danny,bootsy,johnny terry and us kids, every month as a family night. Its was always the same menu: steak potato and salad, men grilled the steak outside the women made baked potatoes and salad, as for us kids we stayed out of sight playing.....Until it was time to eat! Many many great memories from the Stone family, many sorrows for the family having to go through this time of great sorrow. Much Love, Ethan
