“ *To dear Sweezy family... I had the absolute pleasure of sharing stories, visiting, and just enjoying the company of Diane her last year and a half. She was, an exceptional, and positive person. She was my buddy, and we grew very close... I met some of her family during this time, and can say she was a lucky girl, she was loved... I will miss her, but certainly cherish the times we had together. Sleep in peace, my dear buddy... I love you. Carol*

“ *Dianne and I had become friends in the last five years. And before I started losing my ability to drive and walk, I helped her with household chores and errands. She always looked out for me and we kept in touch by phone. I will miss Dianne very much but I know she's in a better place now and out of pain. Godspeed my friend. I hope you are up there with your brothers able to breathe and out of pain forever! Mary Barnwell*
