“ *Dick Wood was first and foremost a gentleman. He loved Greer and its people. He was the " go to guy" on Greer's people and its history. He was an outstanding businessman, and he loved his family dearly. I am going to miss visiting with him and talking about folks we knew and their lives in Greer. Dick lived an extraordinary life, and I know he is in a better place. Rest in peace, my friend.*

“ *I am deeply saddened to learn of the passing of Dick Wood, Jr. I worked with Mr. Wood over the past 40 years handling the arrangements for several of my family members. Whenever times were difficult, he would always work out arrangements to make monthly payments until the cost of the funeral was paid in full. He never once charged interest! I still have a letter he sent me once I had paid off my debt there and had sent him a thank you note for his kindness. He said it was his pleasure because it gave him and his staff a chance to get to know their clients on a more personal level. That impressed me greatly about him and I never forgot it. To his family I offer my deepest sympathy and prayers. One thing I will always remember is that he was a very good man! Gary Rogers and Family.*

“ Remembering a beach trip with the family in the 8th grade. He called me mouse because I was so quiet. He comforted so many people during his life including my family on many occasions. Even though I haven't lived in Greer for years, it's hard to imagine Greer without him. So much love to Terri, Sharone and Tina.

Dick Wood's passing leaves a hole in the community. He was a good
man in so many ways. Every deceased member of my immediate
family has been buried by Wood Mortuary for more than 70 years. He
was good for Greer and the people who live here. A strong, steady
business man who's word was his bond. I enjoyed working for him as
did my father in maintaining the mortuary buildings. We never needed
contracts, his word was always good.
