“ *The Dad that was talked about in his service is the dad his biological daughters grew up knowing. The one who everyone loved, would give the shirt off his back, and the one who loved us big! We were his girls that popped by the dealerships and cheered him on as he made big sales. The ones who faced the sadness of him missing events because he was working over and the ones who were there when he truly started to succeed in the business. Sadly that side of him was one we only knew for a short time in comparison to a lifetime. To grieve the loss of our father not once but now twice is a pain I can never explain. I rejoice knowing that he was in a faithful relationship with God before his passing and that one day all will be right when we reunite in Heaven. My heart and prayers go out to everyone who is hurting today.*

“ Don and I met nearly 30 years ago in Anderson, SC at Dick Brooks Chevy Olds Cadillac, I will never forget him for so many reasons. I learned quick to stick close to the best or at least listen so I could learn and get better. I was only 18. Don taught me so much even if he didn't know he did. He was a competitor at all times. Thank you so much for being there for my brother who loves you dearly and I know was always thankful for the automotive empire you would help him build. Don also as life would go on would continue to show that same level of commitment to his family and friends alike. I will truly miss his quick jokes and wit, and the positive energy he always had. I know the true love of your life was Regina, and the family you guys built. Fly high on your wings Donald Looney, we will miss you and I know I will see you again!

“ 1996 and 1997 You and I were new hires at Dick Brooks Cadillac on Clemson BLVD Anderson. Through the years we would work together many times. We both loved the car business. Last spoke to you on my sons passing this past July. I have many fond memories working with you. You always put up with my inability to be on time. Don, you are a good friend and I will miss knowing I always had a spot if I asked. Rest easy my friend.
