“ I remember when Donnie and his parents lived in North Carolina, I went to stay with them one summer and as a child and teenager I was very shy! Donnie wanted to teach me to Shag but even with him I was shy! Then later I wished I had let him teach this two left feet how to become less shy through dancing! I loved Donnie and he was one of the good souls in our family!”

Always remembering Donnie!

“ *Prayers and love for the family. Skip and I loved Donnie so much. He and Jeanenne have been true friends. Such wonderful memories of tailgating at Clemson games and eating out together and even going on a cruise. I'll miss Donnie so much. I know my husband Skip was one of those welcoming you to Heaven!*
