“ With deepest respect for my colleague and friend at Renewable Water Resources in Greenville. He was a technical specialist and seasoned advisor to me as a new Technical Services Director in the early 1990's. He was dedicated, respected and unswerving in pursuing our goal of clean water and service to the community. He shared his "gray haired" wisdom with all of us for which we benefitted greatly. May the Lord give strength to his family in this time of loss.

“ I'm going to miss him terribly! I've been his barber for 30 years. He was such a good soul. My heart is broken

“ I loved Don Coker-he was my best friend. I met Don in 1957 at the old Southern Bleachery Golf Course in Taylors. He was always my idol. We reconnected 45 years ago at Greer Country Club and played every Saturday morning for over 42 years. The last year & 1/2 he played with his brother Ron during the week. I'm going to miss him. Rest in peace my friend! Go Rest High on That Mountain and save me a tee time in Heaven. We'll play when I get there!
