“ Sandra, Donna and David: Our prayers are with you and your family. My Dad, Grady worked with Don at Ryder many, many, many years ago, although we lost touch over the years your family has always held a special place in the hearts of our family. Donna was probably only 9 and David must have been about 7 the last time we were in touch on a regular basis. We were able to attend the funeral this afternoon but didn't get a chance to speak to you. Don will be missed by so many people. You will continue to be in our thoughts and prayers today and in the coming days. May John 16:32-33 comfort you as it has comforted us in times of loss.
