“ We all grieve for Priscilla and family for such a loss. We are so glad that we got to become good friends with Don and Priscilla. However, we can grieve with hope (I Corinthians 15:55, 57). Death is what took Don home. John Milton said that "death is the great key that opens the palace of Eternity." The tombstone is but a steppingstone! Death is the beginning of everlasting life! "FOR we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens" (II Corinthians 5:1). We can be very happy for Don but very sad in his absence during our present life span.

Don's friendship will ever stay with all that knew him. He will continue to live in our hearts.

Love & Prayers,

Joe & Julie

“ I have been thinking about you lately, and didn't realize that God put you in mind for a specific reason. My heart and prayers go out to you during this difficult time. I will be praying for you and your family. I know that the holidays will be difficult for all of you, but remember that Don is not sick anymore.

I love you,

“ We will dearly miss Don, but are left with lovely memories. I can't ever walk into a Hallmark store without looking for a new card to send to Don or for a new hunting mug for his drinks. Colin will miss playing in the gardens with Paw Don, esp. looking for potatoes. We are extremely grateful for all the advice and wisdom he shared with us and will always remember him!. Love you and miss you, Paw Don!###imported-begin##Marc, Tiffany & Colin Auger##imported-end##
