“ Dear Mrs. Trantham and Family,

*My name is Bob Maxa, and I would like to offer my condolences on the death of Don. We worked together at Boiler Tube before I retired in 1985. I would like to pay my respects, but because of a stroke it is very difficult these days to get around. One of my memories was when Don used to see me and some others leave work to go play golf. He asked if he could come along, if I would show him how to play. After that he was hooked on playing golf and we went to the Masters together. He will be missed and our prayers are with his family.*

*Sincerely,*

*Bob & Betty Maxa##imported-begin##Robert Maxa##imported-end##*
