“ *Dear Conner & Hawkins family,
I'm am so sorry to hear about the loss of Donna. My favorite memory of Donna was from our childhood. We played together for hours on an old oak tree in her Grandmother's yard, Mrs. Johnson. Donna's Aunt Martha and my Aunt Sandra Perdue were friends at this time. This is when Donna and I met. Later she came to Blue Ridge High and we were re-united as friends. I did not know however, that Donna had been ill. I'll always remember her smile and cheerfulness. She'll be greatly missed and, will always hold a special place in my heart. My prayers will continue for all of Donna's family in this time of sadness.
God Bless All of You,

“ You are all in my prayers at this difficult time. I'm sorry I can't be at the funeral today. My daughter, Logan, has been in the hospital and I brought her home today. Donna was always so thoughtful and considerate. I still have the afghan she made for Logan when I came home with her. May God Bless you all during this.###imported-begin##Regina Balliew###imported-end##

“ Donna was one of a kind and I know she will be missed by everyone. Jean and Frank loved her like a daughter. Granny Hawk loved for her to rock on the porch with her. Everyone will tell you it gets easier with time, it doesn't...you just have to learn how to handle the grief. May God help you to get through this very difficult time. Paxton, Matthew, Cathleen, Brian, Jean and Frank, please call me anytime you need to talk. To Donna's dad, Olin and David, her brother, I know how close she was to you both, but know she is not hurting anymore. May God bless you all, my prayers are with you.

“ To Brian, Matthew, Paxton, and all of Brian's family, and to Olin, David & Charlie. I too will miss Donna, she was like my own child, but she was my friend, and I love her as one of my own. I will always be here for you all, at anytime. God has such a tender way of bringing us through these hard, hard times, and we don't or may not understand why God took her at such a young age - but he knows best and we all should know that she is at peace and is in no more pain, and for this I know it helps me. I love you all,
