The first time I met Donna ,was at a Japanese Bizarre. We had them over to our house. Our poodle, Peppy got excited and jumped on the sofa. Donna sat down on the sofa and Peppy , peed on Donnas Casmere sweater !! I was so oo, embaressed ! She was so gracious and tried to make me comfortable. In spite of that she became my best friend . ♡ we have been best friends for 48 years.I will always miss her . ILOVE HER SO MUCH . isshe

Friends like Donna are a true blessing. We met in Bremerton, WA in 1974, then we were both lucky enough to spend 3 years in Scotland and from there to Florida. We spent many good times together and when we were worlds apart communicated via the internet or phone often. She was one of the sweetest and dear people I've ever met.....and fun to boot. We'll miss her. Sincere condolences to her family and friends. Sue and Gene Kissner
