“ I have so many wonderful memories of Donna -- from when we were roomies moving to the big city of Greenville from little Elberton. Then Bobby came along and I lost a roomie but gained another friend. Bobby, Travis, Bettie, and the rest of the family, you are in my prayers and will continue to be. She's smiling from Heaven, and that gives me peace. Luv you guys.

“ Donna was such a kind and caring friend who always greeted people with a smile on her face and a lilt in her voice, especially whenever she had the opportunity to talk about her son and to update others on all he was doing after graduating from North Greenville and how proud he had made Bob and her. Her departure from this earth is hard to comprehend, but I know that she will not have to suffer anymore. My thoughts and prayers are with her family.

“ My husband, John and me will always carry many fond memories of our friend Donna in our hearts. She was a good good person and so much fun to be with! She was also a very caring person who did a lot for the home bound. I am so sad that this illness took her so quickly but I know she is with Jesus and out of pain.

“ My grandparents lived next door to Donna and her family when Donna and I were young. When Donna knew my family and I were coming to visit, she would walk across the cotton fields to get me, and I would walk back with her to her home to visit and play. Mrs. Bettie always offered me vegetable soup when we were hungry. Donna was such a sweet person. Donna and I graduated high school together, and I remember her as being a very generous and kind-hearted classmate and friend. She enjoyed life and loved her Savior and family. Donna was always filled with vitality; her laughter and happiness were contagious to those around her. Our thoughts and prayers are with Donna's family.
