“ Dear Family, my heartfelt sympathy in the loss of sweet Donna. I remember her as a sweet child years ago when her mother, Bea would have Stanley Home Parties with my mother, Marie Coggins. I helped mother and we would always have the best time at their home and we were always welcomed by the whole Hammett and Burrell families. It was like a homecoming! I will treasure those times and those special families, especially sweet Donna! May God wrap each of you in His love to give you strength and peace for the coming days and may your memories give you comfort and joy during this sad time. May God Bless and keep you. Sent with my love and prayers, Linda Coggins Roberts
