“ *Dear Peggy and Gene:*

*I am so sorry for your loss and I am sorry I cannot be there to give you a hug during your time of sorrow. My parents, Diane and Glenn will be there today. We just lost my grandfather, Jake, as you both know--so, I empathize with the grief and some of the emotions your family is experiencing right now. Please accept my condolences. I know there isn't enough that can be said, but I know the support, thoughts, and prayers mean the world right now. We love you.*

“ We are so sorry for your loss, but at least Donna is not suffering any longer and she's walking with Jesus. Even though that does not ease the pain of the ones left behind, you can take comfort in that.
