“ *Judy, I cannot imagine the pain you are going thru at this time. You and Donnie are soul mates and he will always watch over you. I heard Donnie was in a fatal accident and my heart breaks for you and all the extended family. At this point in time Stacy and I are fighting COVID or I would have been by your side. If there is anything we can do, please do not hesitate to let me know. Just hug them babies a little tighter because I know Donnie was so in love with his children and his grandchildren. Your and Donnie's wedding picture looks like two angels. He will always be the love of your life and I know you will see him again. Prayers to you in the coming days and know God has his hand on you.
I love you and I will see you later*
