“I send sincere sympathy and prayers to the family. I have special memories of cousin Doris: like when she supported me when I had to go to the Dr. for many stitches in my arm, family dinners/reunions, her paintings (several on the walls in my home), our conversations and the way she dealt with life's challenges. She will be missed! May God grant peace, comfort and His great love to each of the family members today and all the days ahead.”

“ *Doris still survives in our hearts. She's a true friend and a lady that touched many lives and we are all better people because of her. Her kindness made us kind. She was a talented artist and I Loved seeing beauty through her art. i also Loved her wisdom of natural cures and helpful hints. She's one of the smartest women I know. I will remember her everyday. I will miss her but I will smile because of her.*
