What a beautiful service.

Wish with all my heart I could have been there to honor a great lady that the Lord allowed me to make memories over the years. Thankful for our many lunches together. Started by sharing a hotel room with her on the way back from a bible quiz. She had Tammy Jenkins and I laughing with her stories.

Until we are joined together again on that great glorious day, I will treasure my time and memories with Grandma Dot.

Dot had the most beautiful smile and a loving and sweet heart. I saw her every Sunday in church when I was a teenager. She loved her family so much. My sympathy to the entire family and her many friends.

“ *Denise, Debra and the Boyter and Belue Families, we are saddened to hear that your mother is no longer here but we know that her faith and love for her Savior opened the door for her heavenly home to be her eternal house of grace, peace, comfort and beauty. I can see her strolling down the back 9 with your daddy and they may even do a little dosee do, swing your partner to the right. These are some of the most fond memories because I was a child and they made an impact on my life because they were friends with our family, and when you would get the apple scratch gang together, they would always have fun. May you feel Gods grace, mercy and love today to help you get through the difficult times.*
