“ *I have so many memories of this sweet Christian Lady , She was always the same every time you met her. She played the piano at Oneal Baptist church for many years. She had two wonderful daughters who I use to go home with from church when we were all children. Always loved going there. We would ride around after lunch, and get ice cream before going back to church at night. I could wright many things , but it might be a small book. Heaven gained an angel. Look forward to seeing her again one day. Prayers for the families , I know she will be greatly missed. Love her family , and prayers for each of them .*
