“ *My favorite memories were the vacations we all took together. Washington DC, Silver Springs, all the shared times at Ma' Ma's in Huntsville. We will miss Aunt June very much. To Uncle Jerry and all my cousins, we are with you in spirit and with our prayers. Don Jr. and Elivira.*

“ *My favorite memory of Aunt June is the time we spent in West Virginia with the Chisam family. We took mini-trips to beautiful Shenendoah Valley, historic Williamsburg and Washington DC where I fainted in the Oval office and Aunt June and my Mom had to sit with me in the hallway until I felt better. In the evenings, Uncle Jerry grilled and Aunt June cooked delicious southern favorites. At night all of us cousins played flashlight tag in the neighborhood. It was a very fun time and great memory.*

I will always remember smiling, laughing Aunt June, who always told me I would become Miss America - I didn't but love her for wishing that for me. She was beautiful inside and out and will be missed dearly. My heart is broken with all of the family, Uncle Jerry, Marc, Scott, Chris, their families and especially my Mom and my Aunt Gail who will miss their sister so much!

God Bless and Peace with you all. Aunt June is in heaven with Grandma, Gene and Donald.

“ John 14:1-4

Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going.

Psalm 34:18

The Lord is close to the brokenhearted and saves those who are crushed in spirit

I will always remember my sweet, beautiful Aunt June and will carry the memory of how kind, and funny she was in her adorable southern charm.... she is so missed....and such a big loss for our family.... I want to send all my love and prayers to Uncle Jerry, Mark, Scott and Chris and their families, those precious grand kids, and to my Mom and Aunt Gail, I feel your pain and sorrow.... I am so sorry that I am not there with everyone but my prayers are that God will give you comfort, peace and strength... and he will.

“ *As one travels down the journey of life, many persons become part of your journey. June was one of those persons. Her loving and caring nature brought untold joy to Carolyn and I. It was sheer pleasure having her as part of our journey, as I am sure it was for her family and many friends. We thank God every day she was on our path through life and look forward to joining her on the gold streets of Heaven. A loving brother-in. Don*

“ Aunt June was very special to me. I can always remember her taking time to spend with me when I was little and sharing all of her "beauty secrets" with me (Pond's cold cream, brushing your hair 100 times every night to name a few). I miss her so much already and am sorry I couldn't be there. Sending my love to all of you and praying for peace and comfort for us all during this difficult time. We will see Aunt June again, and I'm thankful for my faith especially during times like this.

“ I am so sorry about your loss. During these times it is especially important to draw close to God in prayer, for the Bible promises that "he himself will sustain you." (Psalm 55:22) When we lose our loved ones we miss them very much. We can be encouraged by reflecting on the promises that God has given thru his word the Bible concerning the hope of seeing our loved ones again. (John 5:28). I hope you find comfort in reading these scriptures. My prayers are with your family.
