Thank you Lisa. Times are emotional right now. Mom was such a big part of my life. I have a great husband who stood by me till the end. I hope to reintroduce myself to him. Mom is in heaven, I will be content with that in time. I will always miss her 💔😭🌹
Thank you for always being so caring to all of us in Camillia Cottage. You are a great asset to them and us. Will miss you. I hope to get back to volunteering next year.
Thank you for being a friend to ALL the residents and families.
