“ Phil, Travis, Matt,

I am so sorry to hear about Doris passing. I remember when I first married her cousin Ronnie, we would get together over at MaMa's house and have a cookout. I also remember when MaMa got sick, all I had to do was call Doris and she would help me get through it at the hospital. Doris is at home now with all the family and it won't be long until we see her again. My prayers are with you at this time.
