“ *As saddened as we are by the passing of Doris, we know that this is not the end but that we will meet again another day. We rest in that hope and comfort. While we grieve her loss, we know that she's walking in heaven now, seeing her Daddy again. Even as we mourn her death we rejoice in her home-going. May the hope of God's Grace bring you comfort and ease, and follow you in the coming days. Doris was a sweet woman with a caring personality who will be missed by all of us who knew her.
