“ *I work with Doris at Nichols Dept Store and she kinda took me under her wing. She was a friend I could tell anything to. many times I was so depressed because a nasty divorce and not only did she get me thru it. She help me lose over a hundred pounds and get me back on the right track .she made me realize that I was someone special and as long as I kept GOD on my side,I could get thru anything.when the store closed I move with the company and lost touch with her but never her friendship and her words of encouragement.I now live back in Greenville and I wish I had looked her back up. I am sorry for your lost .she will be missed by many. Mrs. Myra Robitaille.*

“ *Wayne, Steve and Wanda, I'm so sorry about Aunt Doris passing. We are praying for you and your families. I love your Mom very much, I just regret living so far away and not getting to see you all. She was one of the most talented persons that I've known and I've always wanted to be crafty like her. I love you all, Gayle and Gary Posey*

I know how much your mom meant to you. I am glad that I was able to be there when you shared some of them with me. I never got to meet her, but from what you have said she must have been a wonderful mom, just like you. I miss you all being around, but I know that you needed to be there with her.
