“ So sorry to hear of your loss. Mrs. Khoe was my sons 4th grade teacher at Crestview Elementary School, and I was her room mother. There were days that I didn't know if she were calling for needs of the class or if my son and his cousin that was also in the same class,(I warned her of this the first day,) if they had gotten in trouble. She had a love for teaching, she loved her students, and it pleased her and fulfilled her when the students would learn new things in her classroom. I still have a Christmas ornament I put in my tree every year she gave me when I was her room mother. I thought her every time I unwrap it and hang it on the tree. It always starts a discussion with my son and his cousin about those good days at Crestview. They are now 32 years old and I'm sure we will reminisce the ornament and say a prayer for your family this year. May you feel Gods peace, mercy, grace and love during this difficult time.
Respectfully yours,

“ Mrs. Khoe was my third grade teacher at Crestview back in 1993. She was a wonderful teacher- one my favorites. She was always kind and caring and she made an impression on me. I have thought of her over the years and wondered about her. I'm sad to hear this and just wanted to pass on sincere condolences to her grieving family and friends. May the peace of God and hope of Christ carry through.

“ Not only were we members of the Greer High class of 56, but we enjoyed a working association during the 70s in my practice. I was so proud of her when she returned to furthered her education and became a teacher. In short. She was a nice, loving and caring person who not only contributed greatly to her family but to the community as a whole.

I apologize that I cannot personally be with you today to honor her life due to a conflict, but my thoughts and prayers are with each of you and your family.
