“ I am so sorry to lose Aunt Doris and Uncle Wimpy. Rodney, Lori and Scooter, I remember your parents with so much affection, the times we spent together in the summers and on holidays. Aunt Doris made it always so fun and we felt so loved in her care. She was always happy, devoted and fiercely protective. I will miss her conversations, her memories of her childhood and of my father. I wish I could be with all of you now, but am unable. To be sure, I share her loss and the loss of your Dad most keenly.
