“ *We lost one of our sweetest residents this week , Doris. The residents, the staff and other family members from Greenville Place will really miss her. Thank you to her family for sharing her with us. Doris was very active in our group. She was very friendly to everyone who came in. Doris loved to laugh and especially loved music. We tried to have a much music as we could for the residents enjoyment. I know that today, Doris is singing in the heavenly choir. We will miss, but we will meet again. I want to send my condolences to all of her family and many friends. SINCERELY, DEBBIE ULDRICK*
