“ My thoughts and prayers are with each and every one of you during this difficult time. I had the great honor and privilege of being able to take care of Mrs. Vaughn while working in the Health Center at Skylyn Place. I will always remember her sweet tiny voice and the way she would always say "Hello" to everyone who passed by. She was always very kind and friendly to everyone. I thank you all from the bottom of my heart for the opportunity to get to know, love and take care of this special lady. She will truly be missed greatly. God bless you all.

Sincerely,  
Kim Blackwell, LPN
