“ Dear Johnny, Lisa and other members of the Doris Wade family,

It was an honor and pleasure to work with and get to know Doris Wade at Wofford College where I had the good fortune to see her almost every day during my time of service in our Business Office. Her gracious, pleasant and charming demeanor was only exceeded by her love and concern for the thousands of students who encountered her during 60 plus years of dedicated service to our college.

I know you will miss her. My prayer is for your hearts to be warmed by the countless fond memories you no doubt have of her. What a special person and what a better world she helped leave behind. Doris led a good life, was a person possessing excellence of character and as such, she provided a model for us of how one ought to live on our blessed earth. So many of us, especially our young men and women on campus, benefitted from her presence among us more than we shall ever know.

With condolences and wishes for peace at her passing,

Sincerely,

David S. Wood
