“ What a precious lady! Doris blessed my life every time I was in her presence. We have so many sweet memories of our time in Japan as well as following our return. The first time we met, we faced a yard full of weeds that were waist deep!!! By end of day we had cleared the yard and developed a long lasting friendship.

I can truly say that I am a better person by having spent time in her presence.

Our love and prayers are with you, Fran.###imported-begin###Grady, Rebecca, Josh and Ashley Poole###imported-end##

Doris..may Father give you a supreme escort to His Eternal Home and believe our memory of you is great.. And our dear Corky that we've known even longer than Doris.. May Father keep you safe and secure.
