“ June and Family, although I am not there in person, I am in spirit. Miz Dot was a friend of mine through all these many years, and I will never forget her love and support. Heck, I would have never attended a class reunion had she not called me while I was living at IOP and told me I had better attend. Guess what? She attended also!!! Thankfully last April, there was another reunion, and several of us visited that Lady, who was so much fun to be around and still ageless in her beauty. Now I just want to make sure that she knows I will do my best to take care of her Junebug. I want to thank Miz Dot for all the wonderful memories that she has left with me. My love and prayers to all of her family of whom she was always so proud to call her own. Love, Pam###imported-begin###Gary Early and Pam Owen Early and Family###imported-end##
