“ So very sorry for the loss of your mom. She was one of the sweetest ladies we've known and she will be missed terribly. We still remember all the good times we had at "mama and papa Chumley's" house all those years ago. Our boys loved to go there and play with their friends outside and just have fun. They instilled in them great examples of great Christian people in the way they acted and treated others. we only hope we can do the same for our kids and grandkids. We know they are together now but it doesn't ease the pain of losing her. We are praying for peace and comfort in the coming days. We love you all, Rudy and Deb Jordan

So very sorry for the loss of your beautiful mother. "Mama Chumley" was a sweet wonderful lady. We and our boys use to have the best times at her and "Papa Chumley's" house. Many hours outside having fun and just visiting great people. We will always remember the example they set and will try our best to instill their values in our own children and grandchildren. Our hearts break for you but they are together now at last. Our prayers are for peace in the days ahead. Love you all. Rudy and Deb Jordan
