“ My dear friend "Miss Dot" was so precious and I will cherish her friendship always. I remember her every time I get a puzzle out to work on, I used to go pick her up at times and take her to my house to help me put puzzles together. That was so enjoyable and great fellowship time for she and I. I actually bought 3 puzzles on Thursday thinking of "Miss Dot" that it sure would be nice if she and I could put them together one more time. She will always be in my heart with much love.
