“ Dr. Pittman,

Geneva and I grieve with you in the loss of your precious companion. However, we also celebrate with you in her "home-going"!

Please know that you are in our constant thoughts, and our prayers will continue to go up for you for as long as needed--and we are sure that will be for quite some time.

This is not an idle thought--it is from the heart--please know that if you ever need us, please don't hesitate to call on us.

Good bless you, and we hope to see you are the viewing and funeral on Monday.

“ Dear Dr. Pittman, I was so very saddened to hear of Dorothy's death when I got the call Saturday morning. She was such a sweet lady and a delight to see on Sunday mornings. I know you will dearly miss her as will we all. I am so sorry that I will not be able to make it to the funeral but you will be very much in my thoughts and prayers. “ Rev. Pittman you have Doug and my deepest sympathy. We both always have held the two of you in our hearts. Dorothy was such a special person and we loved her so very much. I know it is hard to let go even though we know she is with her Heavenly Father. It is human nature to want to keep our love ones with us. We know that where she is, she is in no more pain and that is a praise. God Bless you and know that Doug and I will be here for you if ever you need us.###imported-begin###Doug & Melanie Edwards###imported-end##
