“ We loved your mother and she will be missed by all of us here. She was a lovely woman of God. We remember the times she came to Columbus to visit with fond memories. Wish we could be there now to share in your sorrow. We remember the time especially when your mom and dad came to visit us when we lived in Westerville when our kids were young. Your parents played a duet on our piano and I have not ever forgotten that for some reason. It was entertaining and seems like it was not quite so long ago! If I can find the picture or pictures of that event I will forward them on to you in the future as they were good ones of the two of them. Our prayers are with you all. With much love, Doug and Mary Jane
