“*Dot dated my Dad Fred, is when I met Dot. She was the absolute best friend to our / my family. Years would always bring the Birthday card for Birthdays, Christmas would bring a Hallmark Ornaments. She kept up with me and Camilla and our Son Drew as we were her children. She did so much in her life, Church and family were what made her life so complete. I have missed spending time with her. Dot was one of a kind, I know her family will miss her, as we her side family will.*

Yes, Jeff that sounds like our mother, especially Hallmark ornaments and birthday cards. We will definitely miss her. :(
