“ *I'm sorry so very late to hear of this. I grew up next door to Douglas in Prairie Grove, AR. We were just very young kids. I was about 3 or 5 yrs old, he was older, and Douglas would ride his bike up and down the street in front of my house. I would be playing in my house with my toys and he would stop and look in thru the screen door and wanted to come in a play. He as always stopping asking for a drink of water while he was out bike riding. Funny as his house was across the street. He would stop so often in a day that my moma would just say the garden hose is around back. So he'd just go around back and get a drink from the hose. Then he'd come back wanting to come in and play with my toys. It's a funny story. He was a great guy. His ole large red brick house on hwy 170 in Prairie Grove/Farmington behind the Walnut Grove Presbyt. Church has always been a landmark on that road. It still stands today. My dad still lives across the road. When I go visit my dad, I pass by Doug's ole home place. I think of when we were kids. I never met his wife or kids....lost touch as we grew up. But now that I've seen all the photos today, I see still that little boy's face I remember. I hope his wife and kids are doing okay now and know he was special. My name is Paulita Bacus Richmond. God Bless all his family.*

“ Doug was always very special to my grandmother. He adopted her as his "Aunt Bonnie." He was a great friend to her as well as everyone in our community. I know he is now with my grandmother, catching up and laughing about old times. The world is a better place for the mark Doug made on it and a little dimmed by his passing. May God comfort and bless his family.

“ *I have known Doug most of his life. We moved to AR when he was about 2 or 3. My Dad worked for his Dad for years. Doug was a handful! lol! I was his babysitter in high school & the little stinkier would try to tell me how to do my job. He was a mess. He & my brother, Garrett, were like Brothers. I am sure they could have told us some good stories! We will miss Doug! Our sympathy goes out to Kathy & the rest of the Family, especially his kids & grandkids. Rest in Peace Doug!!*

“ *I am so sorry to hear about Doug's passing,,, I had heard a long time ago that he was sick, but, we lost contact when he moved away from Berryville.. Doug was always a good friend,, he used to come out to Oak Grove, to visit with my Husband and myself,,, just to talk, tell jokes, and of course, the two would pick on me about something silly that I had done... We Loved him dearly... My prayers are with his family at this time... I am sure I have some pics, somewhere,,, I will try to look them up, and send to the family.. I am sure Doug is no longer in pain, and he will be looking down on all of his Family and Friends, God Bless you all, ,, Love from Echo Sayers in Oak Grove, Arkansas,,,*
