“ I have wonderful memories of Doug, my cousin my age, and the entire family I spent a summer with at age 17. Doug & I teased and laughed at each other often about how we pronounced words so differently since I grew up in OK. It was a very special summer I will always cherish. Elaine (Smith) Grabin

“ *Betsy & Family:*
What a beautiful service today for Doug. I know he would be pleased to see most of his golfing buddies there and his acknowledge by the US Army and the United States whose uniform he wore.
If my math is correct (Doug would be sure to correct it), we played over 322 rounds of golf, almost all in the same foursome or same cart, Basically, we watched out for each other and only offered swing "corrections" when asked to do so.
He was an all-around gentleman who we'll all miss. I know I'll miss my cart buddy.
