

## Douglas Michael Gleason, Sr.

November 5, 1964 - March 28, 2021

Douglas Michael Gleason, Sr., 56, passed away March 28, 2021.

A native of Summit County, OH, son of the late William E and Betty Jean Ross Gleason, he was a United States Navy Veteran with many commendations. Surviving are one son, Douglas Michael Gleason, Jr. of Campobello; two daughters, Lauren Renee Gleason (William) of New Castle, DE; Adriana Gleason of Port Penn, DE; one sister, Valerie Jean Gleason of Landenberg, PA; and four granddaughters Isabella, Bailey, Madelyne and Skylar.

Douglas while only with us a short time loved to share his expanse knowledge with others around him on many different subjects. Some of his favorite things were rockhounding, fishing, and classic cars especially Ford. He loved to show others the things he was most proud and passionate about.

He had an infectious sense of humor and could make anyone laugh, even if it was at something others would think was mean. Coming from Doug it wasn't meant as mean and everyone that knew and loved him knew this. This sense of humor lives on in his kids as well.

To know Doug was to love him. He will be dearly missed by the lives he touched. He was a force to be reckoned with in his personal and professional life. Always putting his best foot forward. We may have lost someone very special in the physical sense, but we have gained another angel to watch over us.

“ Dug was a great friend. The type of guy who would give you the shirt off his back. Always ready to talk cars and have a good time. The “fearless “ snake hunter. He is very missed.
