“ I'm saddened to find out my dear friend is gone but I know he is happy to be with the Lord. That brings me great comfort. He had been a great comfort for me when I lost my mother and when we both lost a good mutual friend. Sending prayers of continued comfort and peace to his family whom he loved dearly. We shared a love of business and God. He had been on my for quite some time I was surprised to hear of his passing. In our last conversation He was grateful to still be among us and looking forward to recovery. We prayed for God's will. He will indeed be missed. May the peace, comfort and strength of God cover you all.
