“ Jessica, Susan, Tammy, Zach, Alex, Brooke, Lauren, Garrett, and Rachel, and the rest of The Dixon family: I am honored and grateful to have been a part of your family for all of these years. Watching you grow up and become the best person you can be is an incredible experience for me. Knowing Dr. Dixon not only as an employee but also as a dear friend over the last 35 years has helped me in many aspects in my life. I learned many lessons, skills and techniques as he mentored me through his work at the office. I enjoyed being a part of the practice he built for our community and I will always be grateful for all the people we had the opportunity to serve. He loved his family and always wanted the absolute best for them. I'm grateful for all that you all mean to me and I'm so very sorry for your loss. So many great memories.

You will always be in my thoughts, prayers and heart. I love you all.

With love, respect and compassion,
Angie, Austin, and Papa Ashmore

“ I had worked with Dr. Dixon a number of years and always appreciated the opportunity to do so. He worked hard and built a great practice, helping the people of Greer when there wasn't much available in the area. I was hoping he could enjoy his retirement longer than he did. He was always a good man at heart. He will be missed.
