“ Dear Vern,
I am so sorry about your loss of Duane. Everyone knows how much you two loved each other and how close you two were. It has always been that way and it always will. I want you to know how special you are to my family. You have always been in my life because of the beautiful friendship you had with my mother. God blessed mom and her family when he brought you in our lives. I know this has to be the hardest thing you've ever had to go through, but I also know what a strong, beautiful Christian woman you are, and you know God will get you through this and by his grace we will all be together again someday. I love you Vern.
Love,

“ Dear Jewel & Family,
I am so sorry to hear about your loss. I just saw it in the paper.
Jewel, I don't know if you'll remember me but I was a member of
Riverside for a short time when Pastor White was there. (I am the
woman who uses a wheelchair and drive a white Toyota.) I always
enjoyed seeing your smiling face when I'd come to church. You all
will be in my prayers! Love in Christ, Lori##imported-begin##Lori
